### Directors' Report to Shareholders for the year ended on 30th June, 2022

Dear esteemed shareholders,

Assalamu Alaikum,

I am pleased to welcome you to the 45<sup>th</sup> Annual General Meeting of our company. This year we are holding our AGM through virtual platform. In term of section 184 of the Companies Act, 1994 and the Rule 12 and the schedule thereunder of the Bangladesh Securities and Exchange Rules, 1987, I am pleased to present, on behalf of the Board of Directors, the Report of the Directors on the activities of the company together with the Auditors' Report thereon for the year ended on 30<sup>th</sup> June, 2022 for your kind consideration and approval.

### GLOBAL AND NATIONAL ECONOMY

The global economy is experiencing a number of turbulent challenges. Inflation higher than seen in several decades, tightening financial conditions in most regions, Russia's invasion of Ukraine, appreciation of US dollar in most countries and the lingering COVID-19 pandemic all weigh heavily on the outlook. The war in Ukraine is leading to soaring prices and volatility in Garments Sector.

Global economic growth is projected to slow from 5.7 percent in 2021 to 2.9 percent in 2022 as per the World Bank's Global Economic Prospect, June 2022. This is the weakest growth profile since 2001 except for the global financial crisis and the acute phase of the COVID-19 pandemic. According to Bangladesh Bureau of Statistics (BBS), 6.94% GDP growth was achieved in 2020-21, and 7.25% is projected for 2021-22. Government has set 7.50% growth target for 2022-23 while World Bank has projected 6.40% growth for 2022, 6.70% for 2023 and 6.90% for 2024. The war in Ukraine has put pressure on global supply chain of raw materials. Most of the currencies have lost values against US dollar.

Bangladesh being an import dependent country, Bangladeshi Taka has also experienced devaluation and inflation has made a big impact on consumer purchasing power. We expect that with these the country will be able to address the difficult situation. The inauguration of Padma Bridge will bring revolutionary changes in the communication system in the South Asian regions as well as in the internal communication system due to its alignment in the Asian Highway.

### INDUSTRY OUTLOOK AND POSSIBLE FUTRUE DEVELOPMENT:

Ready Made Garments Industry (RMGI) is the main stay of Bangladesh economy at present. This industry was born in Bangladesh during 1976-78 when late M. Noorul Quader, the founder Chairman and Managing Director of Desh Garments Limited when he signed contract with Daewoo Corporation of South Korea for providing technical and marketing collaboration for setting up of garments factory in Bangladesh. This was the first contract in the private sector of Bangladesh with any foreign company. Mr. Quader, under that contract got 128 young Bangladeshis including eleven young ladies adequately trained for 6 months in all aspects of garments making and its business at Daewoo's factory at Busan, South Korea. Thus he brought the technical knowhow of garments in Bangladesh and built up his factory at Kalurghat Heavy Industrial Area, Chattagram. The factory started operations from 1980, but were almost without work upto 1982 because of non-availability of raw materials as sufficient foreign currency for importing raw materials was not available. Mr. Quader using his personality and influence over civil administration had been able to introduce Back to Back Letter of Credit (BBLC) System for non-funded import of raw materials and Customs Bonded Warehousing System (Duty Free Import) for storing and using of imported raw materials without payment of custom duty for two years. His these three contributions namely (i) making technical knowhow available, (ii) allowing non-funded opening of Back to Back Letter of Credit (BBLC) for procurement of raw materials, and(iii)allowing of Customs Bonded Warehouse Facilities drastically reduced the investment requirement for operating and setting up a garments industry bringing it within the reach of

the entrepreneurs coming out from middle income families spawned the growth of RMG factories in Bangladesh starting from only one factory in 1980, the number rose to 383 employing only 120,000 workers and earning only US\$ 31.57 million during 1982-83 has grown into the highest export earner accounting for US\$ 42.61billionin the year 2021-2022.

Data showed that readymade garments export in the year 2021-2022 grew by 35.47% from 31.46 billion in the year 2020-2021.

The export of woven garments, which is the main export item of Desh Garments Ltd., has been increased in this financial year by 141.87% from BDT 186.14 million to BDT 450.21 million. We have been able to make a slight margin in the business of BDT 0.34 million in the year 2021-2022. The company plans to expand its capacity to enhance turnover and profitability for coming years 2022-2023.

### CURRENCY RISK:

The Company is exposed to foreign currency exchange rate fluctuation for its upcoming export of RMG products. Any major depreciation in foreign currency exchange rate will affect the company adversely; however, no exchange rate fluctuation risk is assumed by the company considering the past trend and current foreign exchange market condition.

### INTEREST RATE RISK:

The company has no foreign currency loan in its balance sheet and hence, it's not exposed to any foreign currency interest rate risk. The company has taken local working capital loan at a reasonable interest rate as fixed by Bangladesh Bank.

Mostly, the risk arises from falling demand for the products or services which would harm the performance of the company. On the other hand, strong marketing team and branch management have been built up which would help the company increase its customer base.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act, 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the

- audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994 and the Securities and Exchange Rules, 1987 and relevant notifications issued by Bangladesh Securities and Exchange Commission, we also report the following:

- a) we have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;

#### শোক বাণী

বীর মুক্তিযোজ। ও সাবেক সচিব জনাব নুরাল কাদের খানের অকাল মৃত্যুতে আমরা গভীরভাবে শোকাহত। আমরা তাঁর শোক সন্তপ্ত পরিবারের প্রতি জানাই গভীর সমবেদনা। বীর মুক্তিযোজা জনাব খান একাভরের মুক্তিযুদ্ধের দিনগুলোতে মুক্তিবনগর সরকারের সচিব হিসাবে অত্যন্ত গুরুত্বপূর্ণ ভূমিকা পালন করেন। স্বাধীন বাংলাদেশের প্রথম সরকারের সচিব হিসাবে যুজবিধ্বস্ত বাংলাদেশের পুনর্গঠনেও তাঁর ভূমিকা অত্যন্ত প্রশংসনীয়। তিনি আমাদের পরবতী প্রজমোর সামনে সাহস আর প্রজার জন্য এক অনুশারণীয় ও বরণা ব্যক্তিত্ব।

আমর। আল্লাহর কাছে তাঁর রুৎের মাগ্যফেরাত কামনা করি এবং লোয়া করি আল্লাহ ফেন তাঁর পরিবারকে এই অপুরণীয় ক্ষতি কাটিয়ে উঠার শক্তি ও মনোবল প্রদান করেন।
