### Bismillahir Rahmanir Rahim Directors' Report to Shareholders for the year ended 30<sup>th</sup> June, 2020

Dear Esteemed Shareholders,

Assalamu Alaikum,

I am pleased to welcome you to the 43<sup>rd</sup> Annual General Meeting of the company. First, I wish good health and safety for you and your family in the COVID-19 pandemic. This pandemic has changed our daily activities and given us a New Normal Life. Consequently this year we are holding our AGM through virtual platform. In terms of section 184 of the Companies Act, 1994 and the Rule 12 (and the schedule there under) of the Bangladesh Securities and Exchange Rules, 1987, I am pleased to present, on behalf of the Board of Directors, the Report of the Directors on the activities of the company together with the Auditors' Report thereon for the year ended 30<sup>th</sup> June, 2020 for your kind consideration and approval.

### **INDUSTRY OUTLOOK:**

COVID-19 has originated from Wuhan, China from February, 2020 and has hit Bangladesh end of March, 2020. Supplies of RMG mostly depended on China factories which were shutdown gradually since February, 2020 and has an impact the supply chain in the world as well as Bangladesh RMG sector. The coronavirus pandemic has had a devastating effect on the Bangladeshi ready-made garment (RMG) industry. In recent years, it has been the driving force of the country's economy, accounting for 80 per cent of its export earnings. Revenue generated by RMG factories was a key factor in predictions that Bangladesh would reach middle-income status by 2021. However, with the arrival of COVID-19, it is no exaggeration to say that the industry has 'fallen off a cliff' as many factories have closed and cannot pay wages. Orders worth USD 3.17 billion have been cancelled or suspended, threatening the employment and financial security of millions of workers - the majority of whom are women. As per Media reports, by June 2020, 70,000 workers had lost their jobs and up to one million jobs were likely to remain at risk until the end of the year. Desh Garments Ltd. has also severely affected by the COVID-19. Ready Made Garments Industry (RMGI) is the main stay of Bangladesh economy at present. This industry was born in Bangladesh during 1976-78 when late M. Noorul Quader, the founder Chairman and Managing Director of Desh Garments Limited signed contract with Daewoo Corporation of South Korea for providing technical and marketing collaboration for setting up garments factory in Bangladesh. This was the first contract in the private sector of Bangladesh with any foreign company. Mr. Quader, under that contract got 128 young Bangladeshis including eleven young ladies adequately trained for 6 months in all aspects of garments making and its business at Daewoo's factory at Busan, South Korea. Thus he brought the technical knowhow in Bangladesh and built up his factory at Kalurghat Heavy Industrial Area, Chittagong. His factory started operations from 1980, but were almost without work up to 1982 because of non-availability of raw materials as sufficient foreign currency for importing raw materials was not available. Mr. Quader using his personality and influence over civil administration had been able to introduce Back to Back L/C System for non-funded import of raw materials, and Customs Bonded Warehousing system for storing and using of imported raw materials without payment of customs duty for two years. His these three contribution namely (1) making technical knowhow available, (2) allowing non-funded financing for opening of Back to Back L/Cs for procurement of raw materials, and (3) allowing of custom bonded warehouse facilities drastically reduced the investment requirement for setting up a garments industry bringing it within the reach of the entrepreneurs coming out from middle income families spawned the growth of RMG factories in Bangladesh, starting from only one factory in 1980, the number rose to 383 employing only 120,000 workers and earning only US\$ 31.57 million during 1982-83 has grown into the highest export earner accounting for US\$ 34.11 billion in the year 2018-19 which was 84.21% of total foreign earnings, but in the year 2019-20, the country's readymade garment (RMG) exports declined by 18.79 percent

to **US\$ 27.70 billion**. The RMG industry is the highest employer of Bangladesh employing 40 lacs of which 80% are women.

The export of woven garments, which is the main export item of Desh Garments Ltd., has been reduced in this financial year by 35.34% from BDT 671.21 million to BDT 434.00 million mainly affected by COVID-19. Despite such a devastating situation, we have been able to make a slight margin in the business of BDT 3.14 million in the year 2019-20.

### **CURRENCY RISK:**

The Company is exposed to foreign currency exchange rate fluctuation for its upcoming export of RMG products. Any major depreciation in foreign currency exchange rate will affect the company adversely; however, no exchange rate fluctuation risk is assumed by the company considering the past trend and current foreign exchange market condition.

### **INTEREST RATE RISK:**

The company has no foreign currency loan in its balance sheet and hence, it's not exposed to any foreign currency interest rate risk. The company has taken local working capital loan at a reasonable interest rate which is also in declining trend at this point in time.

### **OPERATIONS:**

We have successfully completed another year of operation. During this year, along with the whole world we are affected by COVID-19 pandemic. Total revenue of the company decreased by 35.34% from BDT 671.21 million to BDT 434.00 million mainly affected by COVID-19 as said above.

Gross profit in percentage has been 11% (BDT 46.03 million) in the year 2019-2020 which is an improvement in operation as compared to last year's gross profit of 10% (BDT 67.12 million). Despite having a good performance in operation i.e. 11% of gross profit, there has been a reduction in gross profit by BDT 21.09 million due to lower sales. Administrative & Selling Expenses has been incurred BDT 24.70 million this year against BDT 31.94 million of last year which is a substantial reduction in cost and contributed BDT 7.24 million to net profit.

Statement of related parties to operating expenses has been disclosed in the Annual Report. Basis of all parties' transactions is the funds received and funds paid only related to the business of exporting RMGs and importing related raw materials and payment of salaries/wages etc.

  as fraud may involve collusion, intentional omissions, misrepresentations, or the override of
  internal control.
- Obtain an understanding of internal control forgery relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

We are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

As per previous submission of tax return (assessment not completed) in prior year, the company's tax base and accounting base assets WDV was same. However, the changes of accounting estimates (IAS- 8) from current financial year creates some temporary difference that caused deferred tax liability for the financial year 2017-18. Any changes of tax base WDV of assets from authority of taxes, the deferred tax liability will be adjusted accordingly. In addition to revaluation surplus appears parmanent difference that's why deferred tax on revaluation surplus has not accounted for from current financial year.

#### শোক বাণী

বীর মুক্তিযোদ্ধা ও সাবেক সচিব জনাব নুরুল কাদের খানের অকাল মৃত্যুতে আমরা গভীরভাবে শোকাহত। আমরা তাঁর শোক সন্তপ্ত পরিবারের প্রতি জানাই গভীর সমবেদনা। বীর মুক্তিযোদ্ধা জনাব খান একান্তরের মুক্তিযুদ্ধের দিনগুলোতে মুজিবনগর সরকারের সচিব হিসাবে অত্যন্ত গুরুত্বপূর্ণ ভূমিকা পালন করেন। স্বাধীন বাংলাদেশের প্রথম সরকারের সচিব হিসাবে যুদ্ধবিধ্বস্ত বাংলাদেশের পুনর্গঠনেও তাঁর ভূমিকা অত্যন্ত প্রশংসনীয়। তিনি আমাদের পরবর্তী প্রজম্মের সামনে সাহস আর প্রস্তার জন্য এক অনুস্মরনীয় ও বরণ্য ব্যক্তিত্ব।

আমরা আল্লাহর কাছে তাঁর রুহের মাগফেরাত কামনা করি এবং দোয়া করি আল্লাহ যেন তাঁর পরিবারকে এই অপুরণীয় ক্ষতি কাটিয়ে উঠার শক্তি ও মনোবল প্রদান করেন।
